

Career Development Plan for Students

Self-Assessment

Identify interests and strengths. Consider academic subjects and enjoyable activities.

Career Research & Goals

Set realistic career goals. Research career paths that align with your interests.

Education Plan

Choose relevant courses and certifications. Consider electives and in-demand skills.

Gaining Experience

Seek internships, part-time jobs, and school projects. Join clubs and volunteer to build skills.

Career Action Steps

Set specific milestones. Update plan regularly to adjust goals and steps as you learn and grow.
